Partners/senior consultants short profile

ALEX DOWDALLS

Alex Dowdalls is founder and Partner at AXVECO BV, a consultancy that helps clients transform their business model with data and AI. He works with financial, industrial and government institutions on topics such as the data-driven / platform business model, data management, artificial intelligence (AI) and digital marketing.

Besides his consultancy work, Alex is a well-known trainer and platform speaker and lectures at Nyenrode University, NCOI Computrain, Beekestijn Business School, Competence Factory and other training institutes and is a startup mentor at Yes! Delft - the innovation platform of TU Delft.
